YMCA  
of the  
Rockies

YMCA of the Rockies puts Christian principles into practice through programs, staff and facilities in an environment that builds healthy spirit, mind, and body for all.

Dear Friends,

Every day, the YMCA of the Rockies strives to build healthy spirit, mind and body for all. Our camp programs are more than fun; they inculcate our core values of Caring, Honesty, Respect, and Responsibility based in Faith as youth follow the examples of their counselors. Families come to our centers from across the country for reunions, enjoying healthy activities at our mountain facilities while growing closer together. And we share in others' good works as we partner with many groups including faith groups and groups serving those with special needs. We are proud of the impact we have as they all return home strengthened by their experiences at the YMCA of the Rockies.

With your support, we have remained committed to those we serve and to our role in the larger YMCA movement. In 2010, we continued our focus on youth development through our camps and childcare programs, providing financial assistance to a record number of children. We were steadfast in our dedication to healthy living, with the completion of the Estes Park Center core development project which brings families closer together and fosters connections. We reinforced our commitment to social responsibility by celebrating the protection of almost 2,800 acres with the finalization of Snow Mountain Ranch's conservation easement.

We are pleased to thank all those who gave generously of their time and talents, funded programs and projects and participated fully in the life of our Association. We are grateful for your commitment, your energy and your support. Thank you for inviting the YMCA of the Rockies into your life and for helping to build healthy spirit, mind and body for all.

Sincerely,

M. Kent Meyer  
President/CEO

Michael E. Long  
Board Chair

## YOUR DONATIONS

help us improve our facilities to offer the best experience for families diverse in their origin and circumstances.

“The YMCA of the Rockies is truly a real retreat – a safe, quiet, beautiful place to experience as a family and reconnect with the spirit of creation. We’ve been blessed to make meals together, play in the snow, nap by the fire, play games and count the stars – together.”

*The Johnson Family, Austin, TX*

## YOUR DONATIONS

help us provide discounts for military, foster and clergy families who need a place to reconnect.

# CONNECTION

“ We are a military family who recently moved to Colorado and were thrilled to visit Snow Mountain Ranch. We made so many special memories that will last a lifetime. Thank you for a much needed getaway and relaxing retreat. Bless you all! ”

*The Holmes Family, Colorado Springs*

# CONTINUE

“ Over the years, we have watched its growth but the Y has maintained its quiet and family joy without sacrificing its natural resources. This place feels loved and cherished. No wonder it evokes love in all who visit. We are all blessed to have been touched so deeply by our time at the YMCA of the Rockies. ”

*The Maynard-Moody Family, Lawrence, KS*

## YOUR DONATIONS

allow us to continue meeting the needs of growing and changing families.

# EXPERIENCE

“In the childhood years, our children enjoyed coming to Snow Mountain Ranch for the mountains, cool air, and programs. Now that our children are bringing their children here, plus friends and family, they have the zip line, pool, putt putt and so much more. The atmosphere is safe, Christian and healthy. We all leave refreshed and looking forward to the next time.”

*The Alborn Family, Ruidoso, NM*

## YOUR DONATIONS

provide a setting where people can experience the best in themselves.

# THE LEGETT LEGACY

Drs. Georgia and Carey Legett Jr. have been a special part of the YMCA of the Rockies family for more than 50 years. Their annual family vacation to the Estes Park Center began in the 1960s and continued, at both centers, for many decades. Georgia commented many times that God gave her the YMCA of the Rockies to raise her family.

In 1988, Georgia blessed us by joining the Board of Directors. Her passion for our Association and her strong belief in our Mission made her the consummate Board member. She remained an active member of the Board of Directors until 2009 when we were honored to name her a Director Emeritus.

The Legetts were an integral part of many projects on grounds and their generosity is evident throughout the Association. Their support helped turn many visions into reality including several cabin donations, the Legett Youth and Family Pavilion, the Legett Youth Family Program Building, the rehabilitation of Mountainside Lodge, the Legett Program and Crafts Center and the Legett Christian Center.

Through the generosity of the entire Legett family, Georgia and Carey's memory will continue to live on at the YMCA of the Rockies through the Legett Legacy Garden Columbarium. The Legetts often commented on what a blessing the YMCA of the Rockies was to them. Georgia and Carey exemplified the Mission and values of the YMCA of the Rockies and they were truly such a blessing to us. We are honored to have called them friends.

“The most important part of the YMCA of the Rockies is the opportunity for our family to spend time together hiking, playing games, and sharing meals together. With our busy schedules and my husband traveling for work, our time together has been limited.”

“ Staying at the YMCA always provides us with memorable experiences with our children and their friends. We love the beautiful cozy cabins in acres of mountain wilderness. No matter how many days we stay, whether winter or summer, we never run out of activities to do right here. There is something for everyone and we think of this as a second home. ”

“ In today’s world, people move to follow the job market. Our six children all went to different cities in the U.S. There are 18 children in the next generation and the only time we were all together took place at Snow Mountain Ranch. The cousins know and enjoy each other here and learn the joys and values of their heritage. ”
