

From Generation to Generation

The Legett Legacy Garden

YMCA OF THE ROCKIES
COLUMBARIUM

In honor of Drs. Georgia and Carey Legett, Jr.

The YMCA of the Rockies' Columbarium has been named in recognition of our dear friends, Drs. Georgia and Carey Legett, Jr. of Austin, TX. The Legetts' love for and involvement with the YMCA of the Rockies spanned over 50 years. Even a casual tour of the Estes Park Center and Snow Mountain Ranch testifies to Georgia and Carey's generous support of our Mission. While the many YMCA of the Rockies facilities bearing the Legett name are a wonderful legacy, perhaps the greatest testimony of their love for this organization is the fact that their great affection for the Mission of the Association has been passed down to the fifth generation of Legetts. Words cannot adequately express how honored we are that Georgia and Carey chose the Estes Park Center as their final earthly resting place. The YMCA of the Rockies is indeed grateful that the generosity of the Legett family has made this beautiful legacy garden possible.

"The Legett Legacy Garden"

We are pleased to announce the Legett Legacy Garden Columbarium, beautifully located at the Estes Park Center just north of the Schlessman Executive offices. Once fully completed, the Legett Legacy Garden will provide many beautiful niches in a tranquil setting designed for services, meditation and reflection.
